FINDING BRITISH FAMILY NAMES

If an ancestor came from a part of Britain unknown to the researcher, there is a book to help him in the Hutchinson Public Library. It is entitled Homes of Family Names in Great Britain by Henry Brogham Guppy, Baltimore: Genealogical Publishing Company, 1968. This book gives the location of many surnames.

Suppose, for example, that the British ancestor's surname is WHITE. The name is listed in the index at the front of the book. After the name are listed the pages on which specific information can be found.

When the researcher turns to the entry on WHITE, he learns that most of the families by that name come from southwestern England. The principal home countries are Devonshire, Somerset, Dorset, Wilts and Hants. Also, there are some midland WHITES who are centered chiefly in Derbyshire and Worcestershire. In Scotland, the spelling of the name changes to "WHYTE", but it is found infrequently in the extreme north. In addition, there is information on the origin of the name.

With the help of Homes of Family Names in Great Britain, the researcher may be able to narrow the search for his ancestor. Indeed for a name less common than WHITE, he may have relatively few places to search.

CENSUS MICROFILM PROGRAM

The National Archives and Records Service has resumed its census microfilm program. The program is available only to public libraries and other institutions, such as genealogical associations. At the present time, the 1790 to 1900 census schedules and the Soundex are available. Later this year the schedules and Soundex for the 1910 census will be available through the same contractor.

The user may rent the film for seven days. Extensions are permitted if they do not interfere with the schedule. The basic seven day rental for both 35mm and 16mm film is \$2.25 plus \$1.00 mailing fee for a total of \$3.25 per roll. Overdue charges of \$2.25 are assessed if the film is returned more than two days after the designated return date.

Customers may order film to be delivered on a specific date or they may request film to be shipped as soon as possible. In either event, if the film cannot be shipped within ten days of the receipt of the order, a written confirmation will be sent to the participating institution notifying them of the arrival date of the film. The program is designed for prompt shipment when the film is available and systematic scheduling when multiple orders accumulate. No customer should have to wait more than 60 days.

KANSAS FEDERAL AND STATE MICROFILM RENTAL:

University of Kansas - \$1.00 mailing fee
Iola Public Library - \$1.50 plus \$1.00 mailing fee - Total \$2.50.

ILLINOIS FEDERAL AND STATE CENSUS RENTAL:

Springfield, IL - \$1.00 mailing fee

MINNESOTA FEDERAL AND STATE CENSUS:

St. Paul, MN - \$1.00 mailing fee

Census microfilm may be purchased from the National Archives for \$18.00 per roll. Missouri Federal and State census microfilm may be purchased for \$5.00 per roll. The Reference Desk at the Hutchinson Public Library will be glad to help you with these orders.

INDEX TO SURNAME FILE
TO BE MADE AVAILABLE

The SURNAME FILE in the Kansas Room of the Hutchinson Public Library is maintained by the society as an additional avenue of genealogical research. Information for the file is obtained from ancestor charts which members are asked to submit when they join the society.

An index to this file is now being prepared for publication. Is your chart in the file? If so, have you updated it as you gained new information? Please take a few minutes now to send your chart to Deb SNYDER, Surname Charts, Reno County Genealogical Society, P.O. Box 5, Hutchinson, KS 67504-0005.

To date we have not received ancestor charts for the following persons:

HUNTSVILLE TOWNSHIP, RENO COUNTY, KANSAS

Ploughe's History of Reno County says that Huntsville Township's petition was signed by "T.B. TOTTEN and fifty-two others", asking for the creation of a new township, and was filed with the county commissioners on 19 May 1885. It was found to conform to all the things required to form a new township and its creation was authorized.

The first election resulted as follows: Trustee, George McKEOUN; Clerk, A.L. MINTER, Sr.; Treasurer, William HOLMES; Justice of the peace, S.B. ROGERS; constable, H.H. VAN LIBER.

This township was taken from both Hayes and Enterprise Townships and consists of all of Township 23, Range 9 West.

RCGS member Loreen CATREN of Valley Falls, Kansas furnished us with the following information:

HUNTSVILLE, NOW ONLY A COMMUNITY
ONCE WAS THRIVING CENTER

Hutchinson News Herald, 5 April 1936

H.C. TOTTEN:

It was November 11, 1877 when Trustaman B. TOTTEN and wife Hannah landed on the SE 6-23-9 with their family of six. For six weeks they had camped in a little shanty in the southwest part of Sterling. Father purchased a farm from a Mr. BARBER for \$300 and built a box house 16 X 24 feet of plain boards, with the assistance of two of his new neighbors Willis HUNT and John CRAMER.

The nearest school house was three miles east and known as Hinman School house. One three miles west was known as Rising Sun. Father TOTTEN got the information that you could have a school house every three miles if you had a signed petition with no remonstrance or if there were 14 scholars in the district. They got the school.

Huntsville was named for a pretty town in the south, then there was a Mr. HUNT who lived in the neighborhood.

The spring of 1878 was a boomer for Huntsville, for almost every quarter had a family move on it. The school was filled and then a post office was needed. To get a post office, Mr. TOTTEN got up another petition. He became post master. The first card went to Bob CATCHALL. Bob kept that first card tacked on his wall as a souvenir. The post office was kept in the TOTTEN home for two years when it was turned over to a A.W. KING who started the first store in Huntsville.

The Rev. David REAGH of the U.B. Church of Stafford came the first Sunday of each month to hold services in the school house. Mother was elected superintendent and father secretary. Every Sunday there was a singing school.

HUNTSVILLE CHURCH HOMECOMING

Hutchinson News Herald, 18 August 1931

HUNTSVILLE TOWNSHIP SCHOOLS

In the 1880's there were five schools in Huntsville Township: Independence (formerly Blaine), Rising Sun, Andre (formerly Pleasant Valley), Huntsville and Liberty (formerly Pew).

Although none of these old school houses are standing today, we have copied and alphabetized the names of the students (as well as their ages) for all of the above mentioned schools for the years 1880 through 1894. We present some of them here:

FOUND AT THE LIBRARY - MASSEY, VARDY

The library found a 'request for birth certificate' from Knox County, Galesburg, Illinois. Diedra MASSEY had written to request a birth certificate for Edward VARDY. There was no address on the form.

ENGLISH RESEARCH CLUB BEING FORMED

Ruth (HAIR) FILBERT would like to form a club for people doing English research. If interested in joining, call her at 663-2804.

Thanks to Pam STANSEL for typing these birth records and to Delma ASHCRAFT and Lydia STREETER for doing the proofreading.

HUNTSVILLE SCHOOL RECORDS - pages 33 and 34
Copied by Jayne (KOEPEKE) PURCELL.

It should be noted that the original school records were very difficult to read. The names were spelled one way by one teacher and the next year yet another way. We have copied them as they were written, although the errors are obvious.
