## RENO COUNTY GENEALOGICAL SOCIETY

The Reno County Genealogical Society of Hutchinson, Kansas, was founded in 1978 for the purpose of fostering genealogical research, promoting the exchange of information and encouraging the deposit of genealogical and historical materials in established libraries and archives.

Membership in the Reno County Genealogical Society is open to anyone interested in genealogy. Dues are \$10 per year per family, as of 1 April 1988. All dues are paid at once for the period of 1 April 1989 to 31 March 1990.

Donations and gifts to the society are tax deductible. Meetings are held on the third Monday of each month (except December) usually in the auditorium of the Hutchinson Public Library, Ninth and Main, 7-9 p.m.

The quarterly publication of the Reno County Genealogical Society, THE SUNFLOWER, is mailed in February, May, August, and November. The staff welcomes the contribution of records and stories pertaining to genealogy and history.

## Address Change?

If you plan to change your address, please notify the society in advance. Our quarterly is mailed at a special rate of postage and the post office will not forward any with the wrong address. They throw them away.

It is a huge task for your membership chairman to keep the mailing list up to date and we need your help. Please tell us when you change your address. Thank you.

## CELEBRATE WITH US!

You are invited to join in the celebration honoring our Charter Members at the November 20, 1989 meeting of the Reno County Genealogical Society.

## PRESIDENT'S MESSAGE

At our November monthly meeting, we will be honoring our Charter Members. Invitations were sent out to all Charter Members, if we had your address. It will be a good time for present and past members to get together and visit.

If you haven't been to the Hutchinson Public Library lately, this would be a good time to come and see the changes in the Kansas Room. The library staff and volunteers from our society worked hard this summer rearranging and re-cataloging the books in the Genealogy section to a Modified Dewey Decimal System. This groups books together with similar subjects. Example, now all Kentucky books are together. Believe me, it makes working in the Kansas Room a lot easier. Thanks to all who helped. Come early on November 20th and see the changes.

We are behind with our quarterly issues. Sorry, our Editor is completely snowed under. Her position at Hutchinson Community College has her working many extra hours. We're keeping our fingers crossed and we hope to get the February 1989 issue out soon. The May and August issues will be combined into one issue. Please stay with us and we will soon catch up.

A special thanks to Ruth Filbert for putting this special edition honoring our Charter Members together and to all members who contributed to it.

Just a reminder, a current membership list is included with this issue. If your name doesn't appear, it means we haven't received your 1989-1990 dues.

As your President for the 1989-1990 year, I would like to say thanks to all of you who have consented to be committee chairmen or have agreed to work with committees on different projects.

The last six months have been an interesting and learning experience for me. I'm eager to see what the next six months will bring. Again, thanks to all of you who have helped me!

## QUERIES

I am seeking documentation of the marriage date and place for my grandparents, Calvin Franklin HERLACHER and Mariah GALLANT. The family lists the date and place as 21 April 1886, in Reno County, Kansas, but I did not find the marriage shown in the books at the courthouse in Hutchinson (nor are they listed in the Marriage Book published by the Society). Ruth Christian, 19341 Knotty Pine Way, Monument, CO 80132

Mary E. (HOLLINGSWORTH) LITTLE, was born 23 Sep 1847 in Madison Co., IN to Elias Pierce and Mary Jane (MORRILL) HOLLINGSWORTH. She married ca 1870    ? LITTLE possibly in Iowa. Sons: Waldo N. died 30 Jul 1948 in Reno Co., KS; John, who fought in the 1898 Phillipine Rebellion. Daughter, information unknown. Any information about this family will be appreciated. ## AUTOGRAPH ALBUMS

## Reno County Genealogical Society

Here are some names from autograph albums which might interest someone. The first book belonged to Kate Hess (Brown) a former English teacher in the Senior High. She was my 3rd cousin. These are dated 1890 and 1891. Apparently they were members of her class when she graduated. These are difficult to read, but I will photocopy any page that anyone wants for the signatures therein. ## RENO COUNTY GENEALOGICAL SOCIETY IS NOW INCORPORATED

(Taken from the Reno County Genealogical Society Newsletter--Volume II Number 2)  
It's official. We are now an incorporated society. Roy Gardner has master-minded this project with the help of Jayne Purcell, Maureen Bellizio and Maxine Lindburg. The committee is now working on obtaining for us a "tax exempt" status.

The "Cemetery Records of Reno County" book is scheduled to go to press the first week in June 1980. Art Graves was the committee chairman.

Marriage Records--Everett Wells reports that he has a diligent committee hard at work recording marriage records from microfilm.
