PRESIDENT'S MESSAGE

At the April Executive Meeting, I met the 1993-1994 officers and board members--some for the first time! You have both a new president and vice-president this year and we will need your help. Welcome to all who are serving in new or different positions this year. The present board is listed at the left.

Thanks to last year's board who have faithfully served the Reno County Genealogical Society. As we learn to appreciate our heritage, we also appreciate those who have served before us.

The Executive Board will meet on the first Monday of each month in Conference Room 1 at 7:00 P.M. If you have a special project or concern, any member is welcome to attend. Let us hear from you!

If you have any extra volunteer time, please let us know. There are several projects that need your help. The ongoing projects and persons working on them will be listed elsewhere in the quarterly. (Or at a later date.)

At last we are having some beautiful days and the outdoors is calling. Genealogical volunteer time and research may be put aside for a while. But, I am looking forward to meeting more of you and working with you.

Margaret BALDWIN CHILDS

(Editor's Note: Margaret gave this to me before the rain's started.)

RENO COUNTY GENEALOGICAL SOCIETY

The Reno County Genealogical Society of Hutchinson, Kansas, was founded in 1978 for the purpose of fostering genealogical research, promoting the exchange of information and encouraging the deposit of genealogical and historical materials in established libraries and archives.

Membership in the Reno County Genealogical Society is open to anyone interested in genealogy. Dues are \$10 per year per family, as of 1 April of the current year to 31 March of the following year.

Meetings are held on the third Monday of each month (except December) in the auditorium of the Hutchinson Public Library, Ninth and Main, 7-9 p.m.

IN MEMORIAM

William Arthur Graves, 88, died March 16, 1993 at The Woodlands, Texas where he and his wife, Doris, had lived for the past few years. They had moved to Texas to be near their son, Jim.

Arthur or Art as he was affectionately called was a charter member of the Reno County Genealogical Society. He, along with his co-chairman, Everett Wells, headed up the work force that walked through and recorded the records of all the cemeteries in Reno County. They kept up the spirits of those who were recording the tombstones during the hot summer days, fighting off the mosquitoes and bugs as they tramped through cemeteries - some unkempt and tall with grass. As a result of their diligent, dedicated and tireless labor RCGS published the *Cemetery Records of Reno County Kansas, 1865-1978*, a much used and appreciated book by researchers.

Art and Doris often had picnics at their home to the delight of everyone involved. Doris preceded Art in death by just one year and one day.

Art will be missed by all who worked with him and remembered for all his contributions to Reno County Genealogical Society.

BOOKS

Lydia Streeter purchased the following books with the money that was donated for a memorial to Art Graves.

Of the 21 attending the workshop, three were members (one had just joined), and 15 joined the RCGS during the workshop.

German family seeks soldier from Kansas

Dear Sir:

Please help me by publishing the following in your publication.

Recently, I traveled to Germany and stayed in a small German hotel in Kaiserslautern. While there, I had the occasion to talk to a German lady at that hotel. She asked me many questions about Kansas and finally about Wichita. When I asked why she was interested, she told me the following story:

This lady, Iris, was a small child during the second World War. Her family had a farm outside Heidelberg. Her family name was Kennerknecht. As the war moved into Germany, their farm and home were bombed three times.

The German army had taken what food everyone had and as there was no place to buy food, they often went hungry. They made the acquaintance of an American soldier by the name of Donald Eugene Story. He told them he had been raised on a small farm in Kansas and that he and wife, Anestine, lived in Wichita, Kansas. He would come by their farm to visit them and he would

bring food to them as well. They grew to be very fond of this soldier. When their farm was bombed the third time, they had to move in to Heidelberg to their grandmother's home. Shortly after they were forced to move to another town. During this time they lost contact with Mr. Story. They felt as if they had lost one of their own family. At family gatherings they always talk about him and wish they could see him again. They have tried over the years to find him with no luck.

I offered to try to help her locate this man. If Mr. Story sees this letter, please contact me. Or if anyone has any information about Mr. Story or his wife, please contact me, Dana L. Dippel, P.O. Box 232, Savanna, IL 61074 or call me at (815) 273-3200. Mr. Story should be approximately 67 years of age and his wife would be approximately 65.

Any information would be gratefully appreciated.

Dana L Dippel

The information for this article was forwarded to me by Karen BURGESS and was shared by member Edna Clare STANLEY WARD, 12 Mar 1993

I am not a writer of detailed stories, but I would like to share with you an interesting experience. I have enclosed an article I found in the last "ACTIVE AGING" paper we received. This paper is published in Wichita, Kansas at Friends University. After some phone calls and an inquisitive drive, I found the gentleman, the German family have been looking for so many, many years. I had such a satisfied feeling when the last call was made. Read the article and I will attempt to explain.

The phone book showed several last names of STORY. After looking in our cross-city directory, I found DONALD EUGENE STORY, I called their home several times during the day. Finally, I started down the phone book of STORY's and located a son and daughter-in-law. I talked with their son and found his father was

wintering in Texas, I placed a call to the Trailer Park, left a message for them to call me collect. I was delighted to hear from them within the hour. Relating the article to them, he said "Yes, Yes, that's right." They asked to come visit us when they return to Hutchinson, Apr 1. I said, "great", and I would be mailing the article and information to him that day. I then placed a call to Dana DIPPEL and gave her the information by phone, and said I would also send them (the Story's) a copy of the article and addresses of the family.

Dana is a teacher with the U. S. Army. She instructs handling and transportation of hazardous materials. She too, wants to visit us, and she was callin Iris in Germany. I, too, wrote Iris Roeter in Germany. Now I'm just waiting to see and hear.

29 Mar 1993

More news on the "German family seeks soldier form Kansas."

I received a long letter from Iris and Karl REUTER in Germany. It was written in English, but had to translate the meaning in some of her sentences. She is very excited and hoping to hear from Donald STORY. As of the 3rd of March, they had not heard from him (too early!) The STORY's are to be home the 1st of April and are to come see us. I will call to see if they have contacted Iris in Germany. They (Iris and Karl REUTER) refer to him as DANO, and praise him highly.

8 Apr 1993--Your editor called Clare WARD for more information. Mr. and Mrs. Donald STORY will be visiting in Germany this summer. Would this make an interesting program this fall?

JUNE MEETING

The date, time and content of the June General Meeting of the Reno County Genealogical Society has been changed. The meeting will be held at 1:00 P.M. June 6 in the auditorium of the Hutchinson Public Library featuring Dr. Ed Brandt as the speaker. There will be no business meeting.

Dr. Edward R. Brandt, is an accredited genealogist, specializing in German research, particularly the Germans from Eastern Europe, and a co-author of the "Research Guide to German-American Genealogy" and vice-president of the recently founded Federation of East European Family History Societies.

A native of Haskell County, Kansas, Dr. Brandt has traced the history of the almost defunct Mennonite community northwest of Satanta, where he was born, to Nebraska, Ukraine, Poland and the Low Countries, as well as the subsequent emigration of most of its members to Canada (and in his grandfather's case, to Mexico).

Dr. Brandt will deliver two lectures. The first will begin promptly at 1:15 P.M. The subject of this lecture will be "An Overview of German Migration to Eastern Europe". After a short break, the second lecture titled "New Genealogical Sources in Eastern Europe" will be given.

There will be time for a question and answer period after the lectures. It has been suggested that written questions would allow time for more discussion. Please use legible handwriting or type your questions. Keep them short and to the point. Dr. Brandt is prepared to talk about research in Poland, Hungary, Netherlands, the Austro-Hungarian Empire and Czechoslovakian research.

Attendance will be limited to the capacity of the HPL Auditorium. The HPL opens at 1:00 P.M. and we must be out by 5:00 P.M.

Donations to help pay the speakers fee will be appreciated.

Dr. Brandt will speak:

Sat., May 22 at the Finney County Genealogical Society, Finney County Library, Garden City, 10:15 A.M.-5:30 P.M.

Topics:

1. Germanic Immigration to America
2. Identifying and Locating Hometowns
3. German surnames: Derivations, Meanings, etc.

Thurs., May 27 at the Center for Mennonite Brethren Studies, Tabor College, and Wichita Chapter of the American Historical Society of Germans from Russia at Tabor College Library Conference Room, Hillsboro, 7:00 P.M.

Topic: The History and Genealogy of German Lutherans and Mennonites in Poland and the Russian Empire.

Dr. Brandt enclosed an order form for his books and published lectures. He will have copies of these books with him and they will be on display at his lectures. If you wish to have a copy of the list that he sent to me, please send me a SASE. The books can be pre-ordered and picked up June 6 or picked up that day and the money sent to him.

From Questing Heirs

Prior to the 1850's, purchasers of U.S. lands in Missouri were exempt from land taxes for the next five years after purchase. If you find your ancestor on a Missouri tax list with livestock, etc., but no land, he may have purchased his land from the U.S. Government within the five years proceeding that tax list. If he is paying taxes on land, you know he has been there longer than five years, or bought it from a private individual.

Dull Knife Marches Home

In September of 1878, Dull Knife and what was left of his Northern Cheyenne Nation started on their final journey home. On their way, they encountered a handful of pioneers along the Sapa and Beaver Creek of Northwest Kansas. At this point the History of these people was changed forever. On June 12th, we will learn how important it is to include the history of the land into your family research.

KANSAS SOCIETY of the SONS of the AMERICAN REVOLUTION MICROFILMING PROJECT

The first viewing of the KSSAR applications microfilm was at the Board of Governors' Meeting 6 February 1993 in Lawrence, KS.

Included in this project: the almost 2,00 membership applications since 1892; supplement applications; and appropriate index to introduce each roll; copies of *The Liberty Bell* publication.

The original records will become the property of the Kansas Historical Society. The original records and the microfilm are not to be reproduced or used for profit-making purposes, but only for genealogical and historical use.

It's estimated that the complete set will include seven or eight rolls of microfilm.

The Kansas Society will donate a set to the NSSAR Library in Louisville, KY.

The Sons of the Plains SAR Chapter (Hutchinson) have purchased a set of the KSSAR applications microfilm for the Hutchinson Public Library.

(Editor's Note: The microfilms will be a great asset to genealogists researching in the HPL. I want to thank the members of the Sons of the Plains chapter for this generous donation. I'm sure that Chapter President Ed Grover and other members, who are also members of the RCGS were instrumental in securing this gift for the HPL. Ed Grover was recently in-stalled as Vice-President of the Kansas Society of the Sons of the American Revolution.)

Pinon Whispers

The Ohio Historical society has the microfilm index to death records from 1908 to 1931 and the death records from 1908 to 1922. All death records will be available soon, but the index from 1923 to 1936 has yet to be received from the Department of Health.

A FATAL SHOOTING AFFRAY

Last Thursday Abraham Kelly, brother of Hon. John Kelly, of this county, shot and killed a man named Black, on Turkey creek, in Pratt county. These parties occupy adjoining claims and there has been a dispute between them in regard to the ownership of a house, Black claiming, according to the stepping of the lines, that the house was on his quarter, and Kelly that it was on his according to the field notes, which he Kelly, has. With this exception the parties have been on amicable terms. Mr. Kelly was postmaster and Black his deputy in his absence. About two weeks since they had a conversation in which Mr. Kelly expressed a determination to sell his farm, and asked Black if he would raise any difficulty about the possession of the house. Black told him there would be no difficulty about it, that he would give up all claims to it. Mr. Kelley came to Wichita, and a few days after returned, in company with three gentlemen, who were going to buy the place. Upon their arrival Black refused to give possession and ordered the parties out, threatening to assault Mr. Kelley, calling him abusive names, and at the same time approaching in a threatening manner close up to Mr. Kelly, when the latter drew his revolver and shot him twice in the head. Black died five hours afterwards. Mr. Kelly came to Wichita last Saturday, and surrendered himself to the sherriff of this county. Pratt county being attached to Reno for Judicial purposes, he will be tried at Hutchinson. The sherriff of that county came down last night to arrest him. Two men, representing themselves to be constables of Barbor county, came here and demanded the prisoner on a writ issued by a justice of the peace of Barbour, but Sheriff Dunning refused to deliver him up. holding him by authority of a telegram from Reno county. Black leaves a family to mourn his untimely death. So far as we know Mr. Kelly he is a quiet unobtrusive and in-offensive man, and probably the last man that would take the life of a fellow being except under the imminent fear of his own life. The sheriff of Reno, with his prisoner left this morning for Hutchinson.

Mr. Claude Eaton a brother of J.E., arrived from Pennsylvania last week and will make Kansas his future home.

Uncle Zeno, the wheat and cattle king of Troy was in the city last week

Robert Ewing living south of town will put up an addition to his house this fall also build a new barn.

Willie Cole, son of Rev. H. Cole, of Loda left last week to attend school.

The new dwelling of Joe M. Campbell is nearing completion.

Mr. Stillwell who is putting up the large new hose for Mrs. Frank Zumbro has lots of work ahead.

Mr. Austin the postmaster of Plevna made the Enterprise a cordial visit one day last week. Mr. Austin is interested in rail roads just now.

M. Bumgardner of the south part of the tp. has recently remodeled his house and added there to. Mr-B. has one of the best farms in Reno Co.

Messrs. A. B. Caldwell and G. T. Empey were in Topeka on biz. last week. And returned "chuck full"--of railroad,--side tracks, depots "headlights" all complete.

Geo Blount, of Hillsdale, Mich who has been spending the summer with Hack and Wn. Shipley left for his home last week fully convinced that Reno Co. will do to tie to. His health has greatly improved since he came here.

Ferdinand Adkins, a nephew of Wm. Adkins of this town is at present visiting his uncle and seems to be highly pleased with Kadsas (sic) and especially Loda. He comes from Mason Co., Ill.

Since writing the above I learn that the house of Mr. Jordan Thresher of Loda was struck by lightning on the night of Oct 24, tearing off the chimney, passing down the stovepipe and tearing the shoes from the feet of Mrs. Thresher who was sitting by the stove at the (time) and quite badly injured. (by) Sam Slick.

(Messrs. J. Myers, and Robert Taylor of Plain City, Ohio, are spending a few days with H. C. Warner of this place) They are looking at the country with an eye to locating and are much pleased with the out look, finding things much better here than they expected. We hope to count them as Arlington citizens soon.

Our office begins to look like a first class fruit store what with grapes and pears from B. P. Hanans in Langdon and a peck of Ben Davis apples that average from 11 and 3/4 to the good Lord knows how many inches in circumference from Chas Reynolds in Arlington a 70 pound melon from A. L. May in Plevna we begin to feel as though life was too short. May the shadows of the donors (sic) never grow less, ours is increasing every hour.

Langdon Correspondent

J. A. Holland, the Jordon Springs land agent, has been commissioned deputy constable.

S. Wendleing and Jean Caddy are away on a trip to Coldwater.

L. C. Dodge has sold his claim for \$2,000 and will soon return to his "native land" of Iowa.

Wm. Hutson sold his farm for \$2,800 expects soon to return to Nemaha County, and is happy.

Lewis Dalton will soon begin the construction of a fine dwelling house on his pre-emption quarter he has rented the old homestead to the McAtee Bros. for five years and of course will pass the remainder of his years in voluptuous ease and magnificent luxury; that is the way retired Longdon (sic) township farmers do, you know.

The new house just completed for Mr. Gilmore is one of the best in this part of the county.

Rev. Crenshaw's resident, on the same section, is also about finished.

Lewis Catte is now plastering his new house.

J. M. C. Ross is building a new house.

R. S. Dade has the frame up for a barn. well the others I will tell about in my next letter.

The Interior Herold is widely circulated in this township, and of some influence but when we republicans try to figure out the grounds for Meridiths opposition to W. R. Marshall for county clerk we are utterly at sea, however we will vote for Reno county and W. R. Marshall. Arabi Bey.

Married, at the residence of L. Defenbaugh, on Sunday, Nov. 8, 1885, by Rev. J. L. Stratford, Mr. Chauncy A. Moore, of this place, to Mrs. Mattie E. Herington of Turon.

J. C. Stratford, brother of Rev. J. L. Stratford, who is visiting here, is a photographer and has his viewing camera with him and many of our people are having views of their residences made.

Miss Addie Brown left us on Friday last called home by a dispatch indicating sickness in the home circle. We sincerely hope that her fears may be resting on a slight foundation. She will find a warm welcome in Arlington should she drop in on us again. May the blessings of health and happiness be hers.

Mr. Jacob Myers, of Plain City, Ohio, who was here some two weeks ago, writes us to buy the J. C. Render farm, in Loda for him, consideration, \$2000. This is among the best farms in this locality and he may congratulate himself on the selection. He will take possession April 1, 1886.

LOST

KANSAS BIRTH CERTIFICATES

The following items are copied from Ancestors Unlimited

The **Kansas** Dept. of Health and Environment has started rejecting applications for birth certificates that do not have the appropriate fee. The Dept. increased the **birth certificate fee to \$10.00** for the first copy of the birth record on Sep 15, 1992. Additional copies of the same birth record, ordered at the same time, will cost \$5.00. The increased fee will be for certified copies of birth records only. The fee for certified copies of **death, marriage, and divorce records will remain \$7.00** for the first copy and \$4.00 for each additional copy of the same record ordered at the same time. A bill has been presented for the Governor's signature to raise the cost of all certificates to \$10.00 and \$5.00 as stated above.

OTHER VITAL RECORDS--

California: Birth--\$11, Death--\$7, Marriage--\$12. Certificates have increased \$1. If the correct amount of money is sent, the VR Office in Sacramento will search a ten-year period. Records are closed for people who visit the office and wish to browse through the files.

Ohio: Before September 1949 marriage certificates were not available. To get proof of marriage, write to the Probate Judge in the county where the license was issued.

Mississippi: Fee increases are as follows: Birth up from \$11 to \$12; Birth (short) up from \$5 to \$7, Death up from \$5 to \$10, and Marriage up from \$5 to \$10.

Texas: The Bureau of Vital Statistics has increased fees to \$11 for issuing each certified copy of a birth certificate, including wallet-sized, or for a search thereof; \$9 for issuing a certified copy of a death certificate or a search thereof.  PROTECTING FAMILY HEIRLOOMS--Identify and label each of your family heirlooms. Select your item and give it a number. Write the number on a label and attach it in an inconspicuous place on the heirloom. On a 3 x 5 card, write the same number and a description of the heirloom, including dates, where you got it, the history of the item, and perhaps to whom you wish to leave it. Include the monetary value if known. Place this card along with a photo of the item, if possible, in an heirloom file box. Be sure that someone in the family is aware that your file box exists and where it can be found.

 A GENEALOGY POSTAGE STAMP? - Philip M. Ordway, 5205 Elsmere Ave., Bethesda, MD 20814, has drafted a seven-point request for the support of a genealogy interest postage stamp. He cites that genealogists may now constitute one of the (if not the) largest single identifiable groups writing personal letters in the United States today. Through thousands of non-profit corporations, they generate much organizational mail as well. The National Genealogical Society has supported the concept of an American Roots stamp for more than eight years. Support in writing for a stamp, with or without design suggestions, may be sent to: Citizens Advisory Committee, U. S. Postal Service, 475 L'Enfant Plaza, SW, Washington, DC 20262-6753. Comments may be sent to Mr. Ordway, also.

Bits n' Pieces

There is a demand for more beginner's workshops, and advanced (speciality) workshops. IF, you have done a lot of research in a geographical area, have expertise in researching land records, or any other area of research or would like to study a subject and present a workshop on the topic, please let me know. The HPL has many books on genealogical research and I have a large clipping file that you could use to compile material on a topic. Whenever I plan a workshop, I know that Karen, Barbara and Lydia will help me if I ask, but it is not fair to them to always have to help, when there are others in the society that could help me. Maybe, I haven't considered your abilities. Let me know if that is so. Ruth Hair Filbert

 INHERITANCE LAWS - Prior to 1786, a will in VA did not have to name the wife or eldest son. A widow received her 1/3 dower and the eldest son received remaining 2/3, unless otherwise specified in the father's will. Eldest son also received his mother's share if she died. If the eldest son had died, eldest grandson of the whole blood became the heir-in-law, not the second son. If the man were unmarried, his heir-in-law was his eldest brother, never his father or uncle.

In New England, the eldest son received a double portion of the estate, it was called his birthright. If you should find a person has conveyed a 1/7 interest in the father's estate, you may conclude there were six surviving children, each of whom received a 1/7 of the estate except for the eldest son, who received a 2/7 or double portion. This inheritance of real estate was set by law, the will would list other items.

Stories should not have been published before and contain no more than 4 pages, double spaced and if possible, typewritten. Try to make your work as neat as possible - this helps keep errors to a minimum when edited. Please limit your entries to four (4) (stories/family histories).

SOME SUGGESTIONS FOR WRITING YOUR FAMILY HISTORY

1. Names and birth dates, of course. (and don't forget the maiden names of the wives), marriage dates and places. A wedding experience - - old fashioned Charivari (Chivaree).
2. Where did the family come from?
3. Date they came to Kansas - - where they lived - - occupations. Were they in the military, farmers, professional, etc.
4. Anything unusual or different about their lives.
5. Interesting experiences your ancestors might have had.
6. Physical descriptions, if known.
7. Dates of death and burial places. Sometimes an unusual cause of death, burial place or circumstances can make an interesting story.
8. Did the family members stay or move away? - - Where?
9. Marriages of the children - - spouse names etc, occupations.
